This is certainly one of the best options when it comes to getting free robux on roblox. This has always worked great for me in the past, so I would highly recommend using this method if you would like some ways for getting free robux on roblox right away and without having to spend any money.

The second way is by buying them from any of the websites which offer them as in-game purchases with real money like Amazon or iTunes cards. These cards can also be bought for cheaper rates at places like GameStop or Walmart.

I have attempted to make a list of all the free Roblox code sites and codes I know of. You should be wary when using these codes, as some do not work anymore or may lead to viruses/malware on your computer. I've also made a list of which sites are safe and which sites are unsafe for you to visit. Please be cautious and do not enter any codes you have found in a comment on Youtube, on Reddit, or anywhere else. Always make sure to read the comments of the videos and follow all instructions before using them.

This should be more than enough for anyone out there to use if they need some methods for getting free robux on roblox and without having to spend any money. I would definitely recommend using this, as this will be more than enough for you to start enjoying getting free robux on roblox right away!
